

How to find us

By Car

From the M1 southbound, leave at junction 21 and take the M69 towards Coventry. At junction 1, take the B4109 towards Wolvey.

Temple Farm is situated on the right 200 yards after a well marked crossroads.

If approaching via the M6 motorway, leave at junction 2 and take the B4065 through the villages of Shilton and Ansty. On reaching Wolvey, proceed straight through the village at the mini roundabouts and pass the church on your right.

Temple Farm is on the left at the point where the road forks sharply to the right.

By Rail

Hinckley, Nuneaton and Bedworth stations are within approximately 5 miles. All the stations have good connections and regular services to Birmingham, Leicester, Rugby, Coventry, Nottingham and London.

The nearest airports are Coventry, Birmingham and East Midlands, and there is a good rail link to Stansted airport from Hinckley station.
